From

Secretary, Malnad Improvement Committee,
Shimoga District.

To

D.M. Narasinga Rao, Esquire, B.A., B.L.,
Secretary to the Government of Mysore,
General Department, Bangalore.

Sir,

I have the honor to submit that at the last Meeting of the District Committee, held on the 30th November last, it was resolved that the construction of the roads from Nagar to Sampikatte be taken up by the Committee this year and that a sum of Rs 2000/- be given from the funds at the disposal of the Committee.

2 There is a savings of Rs 1700/- from the allotment for a District Laboratory which was not sanctioned by the Government (vide their order No. 3354-8 Sany 122-14-8 4 dated 9th November 1915), and there is the possibility of effecting some savings under the other items in the budget programme of the Committee. To divert this money for the work under proposal, a re-appropriation statement will be submitted sometime hence. As the road is an important one, the opening of which is calculated to confer great benefits on the people in the now practically insolated interior backward parts of this Malnad Taluk, I request you will be so good as to obtain the very early sanction of Government for undertaking the work
